## TRUTH ENDURES BEHIND INDIGO EYES

Like the allure of a darkening harvest sky, indigo eyes entice and offer insight to what is true. Truth that life is ever-changing, just as wine changes forever in the bottle. We invite you to sit back with a glass of Indigo Eyes, embrace the flow of life and find your truth.

## CABERNET SAUVIGNON

A signature example of elegance, our Cabernet graces the nose with notes of red plum, Bing cherry, and light accents of forest floor and freshly ground coffee. A seductive profile of blue and purple fruit envelopes the palate with finely grained tannins, dominated by flavors of blueberry and black currant. Unfolding with great depth, classic vanilla oak lingers on the structured finish with layered notes of chocolate brown spice, spearmint, and dark molasses. This Cabernet is an ideal match for filet mignon, slow roasted pork shoulder, and winter vegetables.
