TRUTH ENDURES BEHIND INDIGO EYES

Like the allure of a darkening harvest sky, indigo eyes entice and offer insight to what is true. Truth that life is ever-changing, just as wine changes forever in the bottle. We invite you to sit back with a glass of Indigo Eyes, embrace the flow of life and find your truth.

BRUT

Our Brut is a harmonious, traditional, effervescent wine offering lifted baked apple and almond pastry fragrances. Complex yet concise, Asian pear and white peach flavors dance on the palate and lead to a pleasantly long, tart finish with a gentle lingering of caramel. This stunning wine is a superb accompaniment to poke tuna, caviar, and simple salads.
