TRUTH ENDURES BEHIND INDIGO EYES

Like the allure of a darkening harvest sky, indigo eyes entice and offer insight to what is true. Truth that life is ever-changing, just as wine changes forever in the bottle. We invite you to sit back with a glass of Indigo Eyes, embrace the flow of life and find your truth.

ZINFANDEL

Ready to be paired with a variety of grilled meat and vegetable dishes, our Zinfandel is an approachable, easy-going wine created to be crowd pleasing and food friendly. Fruit-forward, without an overabundance of jam, this is a medium-bodied wine expressing balanced acidity with savory notes of stewed strawberries, cranberry, and baking spice. Refined minerality underpins raspberry and blueberry flavors ending with a hint of cedar chest and a lengthy finish.
