TRUTH ENDURES BEHIND INDIGO EYES

Like the allure of a darkening harvest sky, indigo eyes entice and offer insight to what is true. Truth that life is ever-changing, just as wine changes forever in the bottle. We invite you to sit back with a glass of Indigo Eyes, embrace the flow of life and find your truth.

PINOT NOIR

A true expression of a classic California Pinot Noir, this balanced, fruit-forward wine is loaded with aromas and flavors of cherry, wild blueberry and toasted oak. Modest minerality is present on the mid-plate and is framed by roasted fig and dark plum notes. Savory and mouthwatering with just a hint of allspice, this Pinot would pair perfectly with roast beef, lobster stuffed ravioli, and mushroom risotto.
