TRUTH ENDURES BEHIND INDIGO EYES

Like the allure of a darkening harvest sky, indigo eyes entice and offer insight to what is true. Truth that life is ever-changing, just as wine changes forever in the bottle. We invite you to sit back with a glass of Indigo Eyes, embrace the flow of life and find your truth.

SAUVIGNON BLANC

Indigo Eyes Sauvignon Blanc unveils a tropical fruit profile, with notes of papaya and guava. The palate provides a lean, quiet acidity, with traces of Granny Smith apple and lime tartlet. On the finish, honeysuckle and passionfruit make their appearance. A very food-friendly wine, our Sauvignon Blanc is an exquisite match for halibut, shucked oysters, and pesto-topped pastas.
